

TEI CONSTRUCTION

Celebrating 20 Years in Business

Safety³

PEOPLE. POWER. PROJECTS. TEiC is giving safety the third degree.

When it comes to on-site construction or maintenance services of some of the most sophisticated and complex boiler-related projects, TEi Construction, a Babcock Power Inc. company, places the safety, health and security of its people at the core of company values. With a multi-faceted safety program that includes training, processes and controls, TEiC has achieved an extraordinary safety record of zero environmental and health incidents since 2009... that's 5.6 million man hours without a lost time accident!

Our team is our most valuable resource, generating solutions everyday to deliver safe, clean, reliable energy globally. From innovation to generation, TEiC is proud of its award-winning safety record and are committed to operating with integrity and excellence.
